

# Ultimate Home Hunt Advertising

ultimatehomehunt.com

308 224 6969

**Ultimate Home Hunt offers a variety of consolidated Advertising Methods** in the this Digital Website. Whether you're looking to sell your home through a Realtor or on your own. This website offers many benefits to both businesses and consumers at a very low cost.

## The Ultimate Home Hunt Marketing Strategy

funnel.

- Expose you personal or business buying or selling **Awareness** by being in the right attention getting funnel.
- Streamline your current marketing and search time efforts to shorten the time spent when giving **Consideration**.
- Simplify and expose the best deal when making a **Purchase**.
- In the end a Win-Win for the buyer and seller a positive **Post-Purchase Experience** gained by being the right advertising marketing

At this point you have invested in the creation of your own website or other advertising/marketing cost. Now who's looking at it? Don you wish there were more number/more opportunities? Of course, you can see who opened up the site, which page, and duration of time on the site. But how many buy sell opportunities were missed because your site and other advertising was not the best website marketing funnel? The Ultimate Home Hunt Digital Website provides the perfect solution to these untapped sales opportunities when prospective buyers are looking at other purchase choices. If your not here your missing out.

## What we do that's different to make this advertising work!

### We don't eliminate the old school selling awareness efforts.

We are in Nebraska and Kansas every other week talking and promoting the site to businesses and consumers in it. A smarter consolidated effort marketing plan at less cost!

How do we do it!
